

Footwear Style Guide

Boots and Trainers

Boots and trainers may be purchased from any retailer but must be as close to plain black or plain white as possible. Trainers must have same-colour, non-marking soles.

Branding:
We recognise that it is becoming increasingly difficult to source un-branded boots and trainers, but as you will see in the photos here, there are many styles available where the brand is not overtly carried. Overtly-branded styles are not permitted for use at Trinity Academy.

The styles shown here are all available locally and are all approved for use.
